People and Nature: Our Future Is in the Balance

October 24, 2005

Dr. E.J. Milner-Gulland
Reader in Conservation Science
Imperial College London
Division of Biology - Manor House
Silwood Park Campus
Buckhurst Road
Ascot, Berkshire SL5 7PY

Dear Dr. Milner-Gulland:

Enclosed please find a check for US \$12.00. As I mentioned in my email to you last month, one of our young readers read the article about your work with saigas in *Ranger Rick* magazine and sent us this money in hopes of helping saigas. She'll be happy to know that her donation will be put to good use by Imperial College!

Best wishes,

Michele Reyzer
Editorial Associate
Ranger Rick magazine

free pulping and bleaching process.

Dear National Wildlife Federation,

I read about saving the Saigas in February's issue of Ranger Rick, and I wanted to help, but it was too cold for a lemonade stand, so I decided to wait until Summer. A while later, I was selling Cookie Cubes for softball, and a man gave me some cans and Mom deposited the cans and said that I could give the money to any organization. So, we talked it over and decided on this. I hope it helps.

Sincerely,

Abby Jo Tongue Abby Jo Tongue

P.S. THIS MONEY IS ONLY TO BE USED TO SAVE THE SAIGAS!
